Hi Annie,

The family is doing well. [REDACTED] is graduating from the 8th grade next Friday. Can't believe how fast kids grow. How's everything with you and the hubby? Any plans this summer?

That was a good one. How are you and the family? I hope all is well. Please say Hi to everyone for me.

-Annie

Genesis

On the first day, God created the dog and said: "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years."

The dog said: "That's a long time to be barking. How about only ten years and I'll give you back the other ten?"

So God agreed.

On the second day, God created the monkey and said:  
"Entertain people, do tricks, and make them laugh.  
For this, I'll give you a twenty-year life span."

The monkey said: "Monkey tricks for twenty years?  
That's a pretty long time to perform. How about I  
give you back ten like the Dog did?"

And God agreed.

On the third day, God created the cow and said: "You  
must go into the field with the farmer all day long  
and suffer under the sun, have calves and give milk  
to support the farmer's family. For this, I will  
give you a ! life sp an of sixty years."

The cow said: "That's kind of a tough life you want  
me to live for sixty years. How about twenty and  
I'll give back the other forty?"

And God agreed again.

On the fourth day, God created man and said: "Eat,  
sleep, play, marry and enjoy your life. For this,  
I'll give you twenty years."

But man said: "Only twenty years? Could you possibly  
give me my twenty, the forty the cow gave back, the  
ten the monkey gave back, and the ten the dog gave  
back; that makes eighty, okay?"

"Okay," said God, "You asked for it."

So that is why the first twenty years we eat, sleep,  
play and enjoy ourselves. For the next forty years  
we slave in the sun to support our family. For the  
next ten years we do monkey tricks to entertain the  
grandchildren. And for the last ten years we sit on  
the front porch and bark at everyone.

Life has now been explained to you.
